

## QRF CITY RETAIL WELCOMES Q-PARK AS THE NEW OPERATOR OF CENTURY CENTRE PARKING

Qrf City Retail has reached a long-term agreement with Q-Park Belgium NV for the operation of the parking complex “Century Centre Parking”. This complex is part of “Century Centre,” a shopping centre situated on the Keyserlei in the city centre of Antwerp in front of the Central Station, where Qrf owns a sizeable number of retail units which are let to, among others, McDonald’s, Kipling, Versato, Blokker, Bart Smit, Zeeman and Standaard Boekhandel.

The agreement with Q-Park Belgium NV will enter into force on 1 March 2017 for a fixed term of at least 15 years at market conditions. Q-Park will also invest a substantial amount in new technologies, and in extra safety and comfort to meet the needs of the customer of today and tomorrow.

The parking facility is an important plus for the tenants of Century Centre who can use it as a perfectly equipped hub to operate their e-commerce activities in the centre of Antwerp.

In signing this agreement, Qrf has expanded its customer base with a strong, dynamic tenant. Q-Park Belgium NV is part of the international Q-Park group, one of Europe’s leading parking providers, operating more than 800,000 parking facilities. Inner city, multi-functional parking is one of its core activities. Just like Qrf City Retail, Q-Park believes in the future of the inner city.
